Charging and Remissions Policy - Summer 2019

In conformity with the requirements of Sections 449-462 of the Education Act 1996, it is the policy of the Governing Body:

- ❑ To ensure compliance with the above Act;
- ❑ To establish and maintain a fair and coherent system of charges within the constraints of the school budget, seeking to ensure that no child should have its access to the curriculum limited by charges.

The Governing Body also recognise that there is a clear distinction in charging between curriculum and non curriculum activities.

School Meals

The price for school meals will be reviewed annually by the school in line with the Local Authorities recommendations. No parent shall be allowed to accrue debt of more than £11. Once it exceeds this amount a text will be sent asking for the debt to be cleared, or to provide a packed lunch. Parents will be asked and required to provide a packed lunch until the debt is cleared.

Curriculum Activities

Non-Residential Visits

No compulsory charge can be made for school visits. Voluntary contributions will be requested. The School will try and subsidise visits where possible, and families in receipt of free school meals or pupil premium may be entitled to full remission. **However, if insufficient contributions are received the visit/activity cannot take place.**

The school will aim to give as much notice as reasonably possible of the visit and charges; this will be 4 weeks where possible.

Residential Visits

The school will make a compulsory charge for the board and lodging element of the visit. Voluntary contributions will be sought for the remainder of the cost where the school cannot provide a subsidy. If insufficient contributions are received, the Headteacher reserves the right to cancel the trip and refunds will be given.

Where the trip takes place wholly or mainly during school hours, children who are in receipt of free school meals or the school receives pupil premium funding for them may be entitled to a reduction of these charges.

A similar entitlement exists where a trip takes place outside school hours but is necessary as part of the National Curriculum.

Any insurance costs will be included in charges for visits and activities.

For both residential and non-residential;

- Parents **MUST** return the signed permission slip to school to indicate they wish their child to take part in the visit / lesson. OR give consent on Parent Pay, Without consent children will not be able to attend on the visit.
- The school will not be able issue refunds for visits / residential that do take place or if the child does not attend.

General Lesson Costs

No charge will be made for practical subjects such as Art, Craft, Design or Technology, though in some circumstances a voluntary contribution may be requested and ingredients for cooking activities.

Music Tuition

National Curriculum Music

No Charges will be made for music lessons specifically related to the National Curriculum entitlement provided by the school.

Extra-Curricular Music Tuition

The school facilitates the provision of Brass, Woodwind, Stringed and Percussion tuition through the Schools' Music Service. A termly charge is made for these lessons and must be paid at the end of the previous term. Those children having Free School Meals or those families in receipt of free school meals or pupil premium are entitled to free tuition and instrument hire.

Non Curriculum Activities

Non Curriculum Visits and Activities

The school may levy a charge as an optional extra for educational visits that are not part of the National Curriculum or statutory religious education, for example extracurricular activities such as choir and sports clubs. The school reserves the right to cancel the visit if there are insufficient pupils to make it viable. In these circumstances a full refund will be given. Any insurance costs will be included in the charges for the visits and activities.

Single copies of information covered by this publication are provided free. However, if a large amount of copying or printing is required, or a large postal charge is incurred, or a priced item (e.g. printed publications or videos) is requested, parents/carers may be charged but will be advised of the cost before fulfilling the request.

All charges will be fair and reasonable.

A3 colour 30p per side (20p per side for 11 or more copies)

School Property

The school may charge parents for damages to or loss of school property caused wilfully or neglectfully by their children.

Private Lettings

The main hall, dining room and library are available for hire in accordance with the school's booking agreement form.

Private lettings after 6pm, weekends or during school holidays will be reviewed and agreed by the school on a case by case basis. All agreements with the school must remain private and confidential. All bookings will be subject to a notice period agreed in advance. Appropriate insurance and policies must be in place. All users must comply with conditions set out in the booking agreement form (appendix 1). The head teacher may exercise discretion with regard to any letting.

Passports

In order to defray the cost of administrative time to countersign passport applications, the school will make a charge of £10.00 per passport. There will need to be a minimum of one week's notice for staff to complete an application. This is subject to pressure of work, and at all time the school reserves the right to refuse to complete applications which are only undertaken at the school's discretion as gesture of good will.

The Charging and Remissions Policy will be reviewed annually and charges and this policy may be adjusted as a result of that review.
