Dear Parent/Carers,

Thank you for the positive comments to me this morning as I arrived back in school after my 14 days of isolation. It has been frustrating not being able to set foot in school for such a long time and conducting my work for school via phone calls, videocalls and emails.

It is unfortunate that we have had two year groups isolate so soon due to positive test results. We continue to clean and protect bubbles as best as we can.

Please be aware that if at any time a year group is called to isolate, this means that the child needs to stay at home. This is not just isolation from the school. We have seen and had reports of parents not abiding by these rules. This is the law and it needs to be followed.

This also means you will need to think of alternative arrangements for childcare. This is something that I have had to do with my own family. Please do not bring isolating children onto the school grounds to drop off other sibling as we need to protect the school environment.

We are pleased to have our Year 1 children back and we send our wishes to the Foundation. These children will be starting again on Thursday 15th October.

As a school, we need to look after each other and ensure we do the best for everyone in our community. Thank you to all of you who are following the isolation rules and we look forward to seeing you all soon.

Keep Safe,

Mr Church
