Dear Parents and Carers,

We have just been informed late this afternoon that the Local Authority have advised staff in all schools that they should wear face coverings at all times except when in the classroom or when eating and drinking. This will mean along corridors and other communal areas. This will not apply outside. This is in response to the rise in cases nationally. It has been decided as a precautionary measure.

Please inform your children so they are aware of this for Monday morning.

I am sorry for the lateness of this information as we have just received it ourselves.

Kind Regards,

Mr Church
