KIRK ELLA EXPRESSES ITSELF!

Last week we had an Express yourself day as part of Well Being Week.

On the day we all came dressed in an outfit that showed people what we liked. Some people came in football kits, some came like chefs, some came with books and some people just came in school uniforms. During the day we did colouring, word searches, crosswords and other fun activities. We also talked about why we came in our outfit. Lots of us came in multi coloured clothes to show what colours we liked. The children said, "Express Yourself day was awesome!" Some people also came in their school uniforms to show they liked school.

ECO COUNCIL ASK FOR ROAD SAFETY

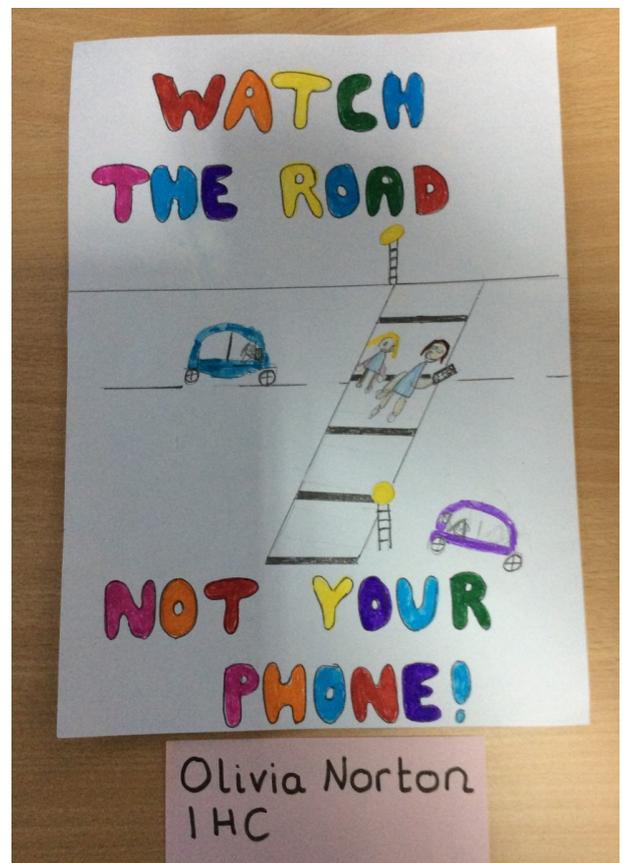

By Erin Lydon and Sophie Brown,

The school/eco council's main goal is to make the school a better place. As part of doing this they have been talking about road safety. Ava Wallis (class 5W's class councillor) told us, "parents should not park outside the school gates since the road is a main road and people shouldn't cross by themselves as it is dangerous. All The council asks is for parents to park up where they can and walk their kids to school".

This is very important matter since the road outside the school premises is very busy.

So, to help prevent this from happening further the Eco council have held a road safety competition. The participants submitted a drawing

design they think would inform people about the situation. The school counsellors have voted and decided who they think should win. The winners were Mila Brett (3SF), Mary Cousins (6V) and Olivia Norton (1HC) who all won an Easter egg and their banner will be placed on the fence outside the school.
