

Year 3
2023-24

TOPIC WEB
Autumn 1

Curriculum Drivers:
Science

ENGLISH

The children will be taught about information texts, including writing a report about keeping healthy and the 5 food groups. The children will also begin to explore poetry. Whole class reading and comprehension sessions will help the children with their understanding of texts. Alphabetical order and dictionary skills will also be covered. We will also recap and reinforce all the Year 2 grammar objectives.

WCR: *Voices in the Park* by Anthony Browne
Flat Stanley by Jeff Brown

MATHS—White Rose

Place Value
Addition & Subtraction
Multiplication & Division

SCIENCE

The children will be taught about the need for humans to eat the right types and amounts of nutrition and they will also learn about the functions of the skeleton and muscles.

Trip to Eureka

ART/DT

The children will make their own colour wheel and explore colour mixing. They will design and make a model of a healthy balanced meal, using Model Magic. These will be painted using different brush sizes. Also, the children will replicate patterns by printing a skeleton on a t-shirt.

Hooray for Humans!

COMPUTING

Be safe online
Graphing skills.

M.F.L. (French)

Greetings, instructions, animals
Using "Je suis"

MUSIC—Charanga

The children will learn to sing songs in solo and ensemble contexts. They will develop their listening and appraising skills when experiencing different R&B songs. Play C G F E on the glockenspiels.

PSHE - Jigsaw

Being Me and My World
We will be discussing rewards and consequences in light of our Jigsaw learning charter.

P.E/Games

Circuits
Tag Rugby

R.E.

Remembering
Children will think about and discuss different celebrations in their lives.
