

Year 4

TOPIC WEB
Autumn 2

CURRICULUM DRIVERS:
Ancient Egyptian Day

English

Non chronological report
Bonfire night poems
Instructions

Class Reading - The Demon
Headmaster

Maths

Measure - Area
Multiplication and division

Science - Electricity

Set up simple comparative and fair tests .
Make observations and take accurate measurements
use a range of equipment.
Gather data in different ways to help in answering questions
Draw simple conclusions, make predictions for new values, suggest improvements and raise further questions
identify common appliances that run on electricity
construct a simple series electrical circuit, identifying & naming its basic parts
identify whether or not a lamp will light in a simple series circuit, based on whether or not the lamp is part of a complete loop with a battery
recognise that a switch opens and closes a circuit and associate this with whether or not a lamp lights in a simple series circuit
recognise some common conductors and insulators, and associate metals with being good conductors

TOPIC

History - Ancient Egypt

Where and when the first civilisations appeared
How artefacts can inform us about the past.
Use more than one source of evidence for historical enquiry in order to gain a more accurate understanding of history
