School Development Priorities 2026-27

1. INCLUSION

To ensure that all pupils, particularly those with SEND and those who are disadvantaged, receive high-quality, inclusive education through effective adaptive teaching, targeted support and strong partnership working so that they achieve well from their starting points.

2. ACHIEVEMENT

To raise attainment and accelerate progress across the curriculum, with a particular focus on writing, so that all pupils achieve highly and are well prepared for the next stage of education.

3. CURRICULUM & TEACHING

To secure consistently high-quality curriculum implementation and teaching across all subjects, ensuring pupils acquire, retain and apply the knowledge and skills needed for future success.

4. BEHAVIOUR & ATTITUDES

To create a consistently positive, safe and purposeful learning environment where high expectations for behaviour and attitudes enable every pupil to thrive.

5. LEADERSHIP & GOVERNANCE

To build strong, sustainable leadership and governance that drive continuous school improvement through rigorous evaluation, accountability and collective responsibility for pupil outcomes.
